*“...THAT THEY MAY BE BROUGHT TO COMPLETE UNITY. THEN THE WORLD WILL KNOW THAT YOU SENT ME...”*  
**- JESUS’ PRAYER IN JOHN 17:23**

## **WHY THE WEA?**

As a global movement that strives to unite evangelicals across denominational, cultural and geographic boundaries, the WEA serves more than 600 million evangelicals who belong to churches in more than 140 countries.

**Join us in spreading the good news of Jesus Christ, bringing transformation to society at the global, national and grassroots level, and stand in prayer and solidarity with other believers around the world.**

Whether your ministry is engaged in missions, advocating for religious freedom, raising awareness on creation care, fighting human trafficking, reaching out to refugees, or a wide number of other issues, the WEA has a vast network you can plug into.

Make new connections, share your insights, learn from others’ best practices, expand your ministry – all for the sake of building God’s Kingdom together!

“The WEA brings together church networks, alliances and Christian organizations from around the world for fellowship, learning and growth and action. The diversity of members allows us to celebrate what God is doing in the world, tackle shared problems and offer each other technical and theological expertise. **As a group we are greater than the sum of our parts** as we take steps together to transform the world for children.”

- **Christo Greyling**, *Senior Director:*  
*Church Partnerships, Faith and Development,*  
*World Vision International*

“The World Evangelical Alliance **opens the doors for the global, diverse Church to network and coordinate across sectors, denominations, and generations**, by focusing on what we have in common through Biblical unity (Acts 4:32). Through the sharing of ideas and resources, we are making strides toward our collective vision: reaching the lost, equipping the next generation, discipleship, and seeing the Church grow. Being a younger leader, membership in the WEA has provided the avenue towards this effective Kingdom collaboration.”

- **Jennifer Brown**,  
*Vice President of Collaborative Partnerships, OneHope*

“Our membership with the World Evangelical Alliance connects ATA to the global church, creates opportunities for broader collaboration, and expands our contribution in fulfilling God’s mission in the world. WEA also helps us **address the challenging issues confronting our communities through its influential voice of advocacy and prayer network.**”
